Dear Christine

Further to the announcements and congratulations made in the welcome back newsletter in early September, we would like to personally congratulate you and your staff on your 2019 summer results.

We were very pleased to see that based on the 2019 provisional data the outcomes for your school are:

- 1) In the top quartile at KS2 in all three attainment measures (reading, writing and maths) and
- 2) The percentage of children meeting the required level at Phonics at the end of Year 1 is above the national average and your school is in the top quartile for performance for this measure.

We know that achieving high standards and significant improvement with children is very demanding and this is in part due to the hard work of your staff. This in turn, has further embedded the depth and breadth of excellence shown in the primary school sector in Essex.

We would like to wish you all the best in your work for the year ahead and look forward to seeing you at the LA headteacher meetings.

Yours sincerely
