

The Robert Drake Primary School

Admission Arrangements for Pupils with SEND

If a child is due to start primary school and already has a statement of special educational needs or an Education, Health and Care Plan (EHCP), the process of selecting a school is linked to the child's statement or EHCP. A consultation with the Statutory Assessment Service, staff at school, parents/carers and any relevant outside agencies will take place so that a school can be named in the statement or EHCP. It will be the same process for a pupil joining school mid-year.

Autumn Term 2017
