

THE
ROBERT DRAKE
PRIMARY SCHOOL

CURRICULUM MAP FOR SCIENCE

Cycle A

Year Group	Autumn Term	Spring Term	Summer Term
EYFS	The World : Look Closely at Similarities, Differences, Patterns and Change		
	Observe Seasonal Changes and Make Kites Observe Living Things in their Habitats (Garden Area)	Observe Seasonal Changes and Investigate Ice and Frost Arctic Animals	Observe Seasonal Changes and Investigate Sun and Shadows Observe and Record Changes to Seeds
Years 1 and 2	Parts of a Plant	Introduction to Animals including Humans	Introduction to Electricity
Years 3 and 4	Animals including Humans : Nutrition, the Digestive and Muscular System	All Living Things and their Habitats : Classification and Keys States of Matter	Sound Forces and Magnets
Years 5 and 6	Earth and Space	Classification	Electrical Circuits

	Animals including Humans : Human Circulatory System		
--	--	--	--

Cycle B

Year Group	Autumn Term	Spring Term	Summer Term
EYFS	The World : Look Closely at Similarities, Differences, Patterns and Change		
	Observe Seasonal Changes and Make Kites Observe Living Things in their Habitats (Garden Area)	Observe Seasonal Changes and Investigate Ice and Frost Arctic Animals	Observe Seasonal Changes and Investigate Sun and Shadows Observe and Record Changes to Seeds
Years 1 and 2	Everyday Materials	Effects of the Seasons All Living Things : Habitats	All Living Things : Food Chains Introducing Forces
Years 3 and 4	Light Electricity	Rocks	Plant Lifecycles
Years 5 and 6	Lifecycles and Reproduction Evolution and Inheritance	Forces, Levers and Gears	Separating Materials and Chemical Changes
